Sir.

I have the honor to state ~~that~~ the construction of the ~~thatched~~ Inspection Lodge of Sorabaga in the Honnali Taluk has been completed, and from the accompanying copy of a ~~do~~ Sheet No 1556 dated 25th December from the Executive Engineer, Shimoga Division, it appears ~~that~~ when an Estimate for its Construction was sent up for Sanction it was proposed ~~that~~ the building should be used as a traveller's Bungalo after completion there is no Establishment to look after it, and as the Executive

Engineer requests that the Lodge may be taken over by the Revenue Authorities. I beg that sanction may be obtained for taking over the building and for the entertainment of a Sweeper on Rs 3 per mensem from 1st April 1880, the charge being debited to Local Funds.

It is hardly necessary to add that unless a person is specially employed for taking care of the building it will soon fall into dis-repair, being already attached by white ants and the village authorities cannot be relied on for gratuitous work.

I have the honor to be
Sir,
Your most obedient Servant

Deputy Commissioner

Has the honor to inform that Inspection Lodge at Soulanga has been completed. From the report of Mr. Ironside in sending the Estimate for Lodge for sanction it was proposed that it may be used as a travellers Bungalo. Requests to be informed if it is to be handed over to the Revenue Department. In case it is to be taken care of by D. P. W. a watchman has to be Entertained to take care of it. Awaits early orders as it is found that persons get into the Building and misuse the same.
